Winnipeg, MB R3K 0W7

Dear Derek:

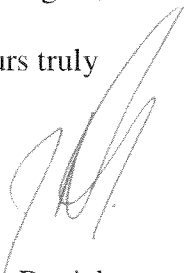

All of the members of "Team Qualico" thank you for your generous donation in support of Ride Around the Lake and Habitat for Humanity.

This year Team Qualico consisted of six riders who enjoyed three beautiful fall days (and one rather rainy fall day) as we covered our 380 km route. In total 24 riders participated and we were supported on and off the road by a crew of six volunteers. The most amazing part is that RATL raised over \$180,000 this year which brings our total for the five years to \$692,000.

Because of thoughtful contributions from people like you, another low-income working family will be able to realize their dream of homeownership.

Once again, thank you, and we look forward to your continued support in the future.

Yours truly

John Daniels
Vice-President
Winnipeg Branch
